Your plan agreement

This **agreement**, together with **your application form** and **your Certificate of Insurance**, make up the contract between **you** and **us**. The terms of this **agreement** apply to **you** and to all of **your eligible dependants** as stated in the schedule of **insured persons** on your **Certificate of Insurance**.

The purpose of your plan

Your plan provides **you** with benefit for the cost of treating eligible medical conditions which arise after **your date of entry**.

We will pay for the **reasonable and customary** costs of **medically necessary treatment** of medical conditions covered by **your plan**. **We** will only pay for such **treatment** if it is received during **your period of cover**, and provided **your premium** payments have been kept up to date.

Any reimbursement **we** make may be subject to an **excess** and/or **co-insurance**, and certain benefits are subject to a benefit limit. **Your excess** amount will be stated on **your Certificate of Insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for **your plan**.

Your obligation to provide information relating to you and your dependants' medical history

We rely on the information **you** supply to **us** in **your application form** when **we** decide whether or not to accept **your application**, and whether or not **we** need to apply **special terms**.

If **your application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare **your plan** void. Alternatively **we** may impose **special terms** on **your** particular **plan** which will apply from **your date of entry**.

If **your** state of health, or the state of health of any of **your eligible dependants** changes between the time **you** complete **your application form** and **your date of entry**, **you** must tell **us** in writing about the change, and **we** may only be able to accept **your application** with **special terms**.

Pre-existing medical conditions and related conditions

Unless **we** have agreed otherwise, **your plan** will not cover any **pre-existing medical conditions** or **related conditions**.

Age limits

You must be under 70 years of age at the commencement date of **your plan**.

You may apply for cover on behalf of **your spouse** or **partner** (provided they are under 70 years of age) and/or on behalf of **your** unmarried children, provided they are aged less than 18 years old, or less than 25 years old if in continuous full-time education.

Commencement of your cover

Your cover will commence from the **date of entry** stated on **your Certificate of Insurance**. **We** will not commence **your** cover until **we** have accepted **your application** and **we** have received payment of **your** full annual, half-yearly, quarterly or monthly **premium**.

Your area of cover

The cover provided by **your plan** is restricted to the **area of cover** stated on **your Certificate of Insurance**. The **areas of cover**, and their corresponding territorial limits, are stated below.

Zone 1

Worldwide, excluding the United States of America.

USA cover options

The following two options provide limited cover in the United States of America.

If **you** have one of the options for limited cover in the United States of America, it will be stated on **your Certificate of Insurance**.

Cover in the USA limited to temporary trips of up to 45 days (USA-45)

We will cover **you** in the United States of America for **temporary trips** of up to 45 days' duration from the date on which **you** enter the country. Any trip of longer than 45 days will not be covered, but there is no limit to the number of **temporary trips** **you** can make to the United States of America during any one **period of cover**.

The overall maximum amount **we** will pay in respect of **treatment** **you** receive in the United States of America is US\$250,000 per **insured person**, per **period of cover**. Within this amount, **we** will pay: -

- up to US\$100,000 for elective **treatment**; and
- up to US\$250,000 for **accident & emergency treatment** of a condition that **you** have not previously suffered from prior to commencing **your temporary trip**.

We do not cover emergency evacuation to, from or within the United States of America, even if **you** have selected the USA-45 option.

Cover in the USA limited to temporary trips of up to 90 days (USA-90)

We will cover **you** in the United States of America for **temporary trips** of up to 90 days' duration from the date on which **you** enter the country. Any trip of longer than 90 days will not be covered, but there is no limit to the number of **temporary trips** **you** can make to the United States of America during any one **period of cover**.

The overall maximum amount **we** will pay in respect of **treatment** **you** receive in the United States of America is US\$250,000 per **insured person**, per **period of cover**. This overall maximum amount includes both elective **treatment** and **accident & emergency treatment** that **you** receive.

We do not cover emergency evacuation to, from or within the United States of America, even if **you** have selected the USA-90 option.

What you're covered for

The following **table of benefits** sets out the cover provided by each **plan**. The **plan you** have is as shown on **your Certificate of Insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

Each benefit limit in the **table of benefits** is expressed in HK dollars and US dollars. The currency of the benefit limits that **we** will apply to **your plan** is shown on **your Certificate of Insurance**.

The limits shown in the **table of benefits** are the maximum amounts **we** will pay after the application of any **excess** and **co-insurance**, and will be subject to the annual benefit limit and any other specified applicable benefit limits.

Certain benefits in the **table of benefits** specify a **waiting period**. **You** must be covered by the same **plan** for the full duration of the specified **waiting period** before **you** can **claim**

for that benefit. No benefit is payable for any **treatment** costs incurred during the **waiting period**.

Wherever the term *Full cover* appears in the **table of benefits**, this means a full refund of **reasonable and customary** charges, less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits that are specified anywhere else in the **table of benefits** for the type of **treatment** or care **you** receive.

Where there is a lifetime benefit limit, this is the maximum amount **we** will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** are optional. **You** are only eligible for these benefits if **you** have selected them and they are stated on **your Certificate of Insurance**.

There are certain benefits in the **table of benefits** for which **you** must obtain pre-authorization. If **you** do not obtain pre-authorization for these benefits, **we** will only pay 80% of the

reasonable and customary cost of treatment.

If **you** choose a **private room** for **your in-patient** or **day-patient treatment** at a **restricted hospital in Hong Kong** (listed below), the cover **we** provide for all **your treatment** and accommodation costs will be subject to a 20% **co-insurance**. This means that **you** will need to contribute 20% of **your treatment** and accommodation costs.

- Matilda International Hospital
- Hong Kong Adventist Hospital
- Hong Kong Sanatorium & Hospital

This restriction applies even if **you** did not select the **semi-private room** or **general ward** options on **your application form**.

The **table of benefits** should be read in conjunction with the *What you're not covered for* section of this **agreement**.

- eating disorders of any kind, such as anorexia nervosa or bulimia

Wilful exposure to needless danger

You are not covered for **treatment** of any conditions arising directly or indirectly from **your** gross negligence and/or **your** wilful exposure to needless danger except in an attempt to save a human life.

If you need to make a claim

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorization.

If **you** need to claim for a benefit or **treatment** for which **you** must obtain pre-authorization, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorized by **us** in advance.

Eligible medical services providers

You have the freedom to choose when and where **you** receive **your medical treatment** within **your area of cover**. Please note that **we** will only pay up to the **reasonable and customary** monetary amount which is typically charged in the country where **treatment** is being received.

If you have optional USA cover and you seek treatment in the USA

All **treatment you** receive in the United States of America must be pre-authorized in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the United States of America that has not been pre-authorized.

If **we** instruct a local agent to arrange the billing or cost adjustment of **your** medical **treatment** expenses in the United States of America, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the *Your area of cover* section of this **agreement**.

If you are admitted to hospital

All **in-patient** and **day-patient hospital treatment** must be pre-authorized by **us** or by the **Assistance Service**.

Please contact **us** as soon as **you** know that **you** need **in-patient** or **day-patient treatment**. **You** must let **us** know that **you** need **in-patient** or **day-patient treatment** at least 5 days in advance of **your admission**. This gives **us** sufficient time to contact the **hospital** to obtain the necessary medical information.

When **you** contact **us**, **we** will ask **you** to complete a pre-authorization form and a consent form that permits the **hospital** to release the necessary medical information to **us**. Once **we** have received all the medical information that **we** require, both from the **hospital** and **yourself** (including any other information **we** might need), **we** will advise **you** if the proposed medical **treatment** will be covered by **your plan**.

If **you** contact **us** less than 5 days in advance of **your** admission, **we** may be unable to pre-authorise **your treatment** in time. This means **you** may have to pay for the **treatment yourself** and submit a **claim** for reimbursement to **us** later. In some instances, **we** may decline **your** reimbursement **claim** or **we** may subject **your** reimbursement **claim** to a 20% **co-insurance**.

If **you** are admitted to **hospital** in an emergency and it's not reasonably possible for **you** to contact **us** in advance of **your**

admission, **we** will consider **your claim** provided that **you** contact **us** within 24 hours of **your** admission. If **you** do not contact **us** within 24 hours, **we** may decline **your claim** or subject **your claim** to a 20% **co-insurance**.

If you do not obtain pre-authorization for treatment that we have specified must be pre-authorized

For eligible **treatment** which has not been pre-authorized, **we** will only reimburse 80% of the eligible costs.

How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a claim form from **our** website.

Please complete Section A of the claim form. If the total amount of **your claim** is likely to exceed HK\$3,875 or US\$500 (or the foreign currency equivalent), please take the **claim** form with **you** when **you** visit **your doctor** and ask him or her to complete and sign Section B of the claim form.

Scan the completed **claim** form and the fully itemised invoices and receipts for the **treatment you** have received, and send to hkclaims@william-russell.com.

Even if **your claim** is less than HK\$3,875 or US\$500 **we** may in some cases require **your doctor** to complete and sign Section B of **your** claim form before **we** can settle **your claim**.

We can only reimburse **your claim** when **we** have fully itemised invoices and receipts which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices, receipts and **claim** forms for 12 months. **We** may require these for auditing purposes.

Claim forms are not required however when **you** are claiming for the following benefits: -

- If **you** are claiming for the well-being benefit or dental benefit please send **us** the fully itemised invoices and receipts for which **you** are claiming reimbursement, together with **your** bank account details.
- If **you** are claiming for the compassionate home visit benefit please send **us** a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** round-trip airfare, stating the class of travel, and **your** bank account details.

Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, any **treatment** by a chiropractor, **out-patient** mental health **treatment**, osteopath, chiropodist or podiatrist, a dietitian consultation or an MRI or CAT (CT) scan **you** must also send **us your medical referral letter**. If **you** are claiming for a PET scan, **you** must also send **us your specialist's medical referral letter**.

Supplying the information required to process your claim

We can accept the information required to process **your claim** via email. Simply, scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form and email them all to hkclaims@william-russell.com. Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your claim**. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your claim** by post.

You must submit **your claim** within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the **claim** within this time. **We** will not pay any invoices received by **us** more than 12 months after the **treatment** date.

We will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, as well as any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer. If **you** provide us with incorrect payment details and **we** cannot recover the payments, **we** will not make the payment again to **you**.

We will only make payment to **you** or to the **medical services provider** that provided **your treatment**. Payment will not be made for **treatment** that has not been received yet.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

Using the direct billing service

To be eligible to receive the direct billing service, **you** must have completed an application for the service and have paid any additional premium invoiced by **us**.

If you are eligible for the direct billing service this will be stated on **your Certificate of Insurance**, and **you** will be issued with a membership card which bears the letters **DB**. This card, together with photographic identification, will enable **you** to receive eligible **treatment** at **direct billing medical services providers** within **our medical network**. The **direct billing medical services provider** will bill **us** directly for **your treatment**.

If the cost of **your treatment** is greater than HK\$3,875 or US\$500, the **direct billing medical services provider** will contact **us** for pre-authorisation of the **treatment**. To avoid delays, **we** recommend that **you** contact **us** in advance of **your treatment**. Once **we** have verified that the **treatment** is eligible for cover, **we** will let the **direct billing medical services provider** know.

It is important to note that the **direct billing medical services provider** is not aware of the terms and benefits provided by **your plan**. They will provide **treatment** in accordance with a separate agreement between **us** and them.

This means that, for **claims** of less than HK\$3,875 or US\$500 where the **direct billing medical services provider** is not obliged to contact **us** for pre-authorisation, it is **your** responsibility to claim only for **treatment** that is eligible for cover under **your plan**.

We have an obligation to settle all bills for **treatment** received from **direct billing medical services providers** within **our medical network**, provided that they fall within the terms of the contract between **us** and them.

If **you** receive **treatment** for a medical condition that is not covered by **your plan**, **we** will invoice **you** for the ineligible expenses **you** have claimed. This will also result in direct billing being withdrawn from **your plan**. If **you** do not repay to **us** these ineligible expenses within 30 days, **we** will not renew **your plan**.

If **you** cancel **your plan**, **you** must return **your** membership card to **us**. **We** will cancel **your** cover with effect from the date **we** receive **your** membership card. **We** can accept a photograph of a cut card.

The membership cards are **our** property and **we** can ask **you** to return the cards to **us** at any time.

We have the right to remove direct billing from **your plan** at any time within **your period of cover**, at **our** discretion.

Exchange rates

We will settle **your claim** in the currency that **you** pay **your premium** (unless **you** instruct **us** to settle **your claim** in another currency **we** can administer).

If **we** make a currency conversion for a **claim** with a single invoice, **we** will use the exchange rate applicable on the date stated on the invoice.

For multiple invoices **you** submit for one **claim**, **we** will use the exchange rate applicable on the **claim** payment date.

We import exchange rates from oanda.com into **our** IT system each night. **We** use the exchange rates at the time of the import, which may differ slightly from the historic exchange rates shown on oanda.com. Historic exchange rates are based on the average exchange rate for any particular day.

Excesses, co-insurance, and benefit limits

The **excess** shown on **your Certificate of Insurance** is the amount each **insured person** will have to pay towards the cost of their **treatment**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess** per **claim**, this is the amount **you** will have to pay each time **you** make a new **claim** for **treatment** of a condition that is covered by **your plan**. If **you** subsequently suffer a new occurrence of that condition, this will be treated as a new **claim**, and **we** will apply the **excess** again to that new **claim**. If your course of **treatment** spans two **periods of cover**, **we** will apply the **excess** again when **your plan** renews.

If **your claim** is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

If **your excess** is per annum it will be applied once per **period of cover**. For example, if **your excess** is US\$500 per annum, **we** will not pay for the first US\$500 of eligible expenses **you** incur during **your period of cover**. **We** will apply one **excess** per **period of cover** irrespective of the number of **claims** **you** make. **You** must

submit all eligible **claims** to **us** - even **claims** within **your** annual **excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your** annual **excess**. When **you** renew the **plan**, the annual **excess** will apply again in respect of **your** new **period of cover**.

Our right to request additional information

We may request additional medical information to enable **us** to assess **your claim**, such as medical reports or tests. These must be provided at **your** own expense. **We** may also request an independent medical examination. If **you** do not agree to supply **us** with additional medical information that **we** reasonably request, **we** will not be able to assess **your claim**.

If **you** require ongoing **treatment we** may ask for further medical information, and if **we** do, the cost of providing this information must be borne by **you**. **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

Our right to request a treatment review

We will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal **claim** for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes any **treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your claim** for damages then **you** must repay to **us** the same proportion of **our** costs.

If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the **claim**. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy and **claim** number and any other relevant information, when **you** first submit **your claim**. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the **claim**. This may involve **us** sending **your** personal information regarding **your claim** to the other insurer.

We will also allow sums paid by another insurer to be offset against the **excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us**.

Other information about your plan

Plan premiums

The **plan premiums** are age-related and will increase as **you** get older. The **plan premiums** are not guaranteed for the duration of **your plan** and are subject to annual review. The **plan premiums** are also dependent upon **your place of residence**. **You** must tell **us** if **your place of residence** changes.

All **premiums** are payable in advance of the **premium due date** as shown on **your invoice**. **Premiums** must be paid in the **plan currency**.

You may pay **your premiums** by the following method: -

- annually by cheque, bank transfer, or an acceptable credit or debit card
- half-yearly, quarterly, or monthly by an acceptable credit or debit card

We can only accept credit or debit card payments if **you** pay **your premiums** in US dollars.

As a **Hong Kong resident**, an insurance **premium tax** is applicable to **your premium**.

Premiums must be paid directly to **us**. If **you** pay **your premiums** to anyone else such as an intermediary or insurance broker, then that person is acting on **your** behalf as **your** agent. **We** are not responsible for any **premiums** paid to any third party.

When **you** provide **us** with **your** credit or debit card details **you** are authorising **us** to debit **your** account with the appropriate **premiums** due for the current **plan** year and for all subsequent renewal **premiums** due as invoiced by **us**, until such time as **you** advise **us** in writing that **you** wish to alter **your** payment method or cancel **your plan**. It is **your** responsibility to keep **us** informed about **your** current credit or debit card details. Provided the details **we** hold for **you** are still valid, **we** will automatically debit **your** account with **your** renewal **premium** on or before **your** renewal date.

Unpaid or late premiums

We will automatically cancel **your** cover if **you** fail to pay **your premium** on or before the **premium due date**, or if **we** are unable to collect **your premium** from **your** credit or debit card for any reason.

We may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30-day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **you** have paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **you** do not pay **your premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your premium due date**. Once **we** have cancelled **your plan**, **you** will have to complete a new **application form** which will be subject to **medical underwriting**.

Enhancing your cover

You may apply to enhance **your** cover at any time by completing a new **application form**, and the enhanced cover will be subject to **medical underwriting**.

If **we** accept **your application** for enhanced cover, **we** will issue an invoice for the increased **premium**. **Your** enhanced cover will commence from the date **we** receive **your premium**, provided it is received within 30 days of the date of **your application**.

If **you** enhance **your plan**, **claims** in respect of benefits that are subject to a **waiting period** will be assessed in accordance with **your** former **plan** until the expiry of **your** new **plan's waiting period** for that benefit. For example, if **you** are covered by the **Silver plan**, and **you** enhance **your plan** to the **Gold plan**, any benefit payable in respect of the *well-being benefits* section will be restricted to the **Silver plan** benefit limit for the first 6 months of **your Gold plan**.

If **you** apply to reduce **your excess**, **we** will continue to apply **your** previous **excess** to any **claim** for any condition that first manifests itself after **your** original **date of entry** to **your** previous **plan**, but before the date **your excess** is reduced.

If **we** accept **your application** for enhanced cover, all conditions that existed prior to the date on which **your** cover is enhanced will be restricted to the level of cover that **you** held immediately prior to that date, even if **you** have previously held a higher level of cover.

Reducing your cover

If **you** wish to reduce the cover under **your plan** in any way, **you** must tell **us** in writing and **we** will make the change from **your** next **renewal date** only.

We may refuse any request to change **your excess** to a per annum basis.

If **you** wish to cancel the optional Dental Basic, Dental Plus or Medevac Plus benefits, they will be cancelled for all **insured persons** on **your plan**.

Changing your plan currency

Once cover under **your plan** has commenced, **you** cannot change **your plan** currency.

However **you** can cancel **your plan** and apply for a new **plan**. **You** will have to complete a new **application form** which will be subject to **medical underwriting**.

Adding dependants to your plan

You may apply for cover on behalf of **your spouse** or **partner**, provided they are under 70 years of age on their **date of entry**.

You may also apply for cover for **your eligible** dependent children provided they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

We will not commence cover for a new **eligible dependant**

until we have accepted their **application** and we have received payment of their **premium**.

Adding newborn babies to your plan

You may add your newborn child to your plan without any **medical underwriting**, provided you notify us of their full name and date of birth, and make payment of their **premium**, within 30 days of their date of birth. If you have been insured with us for a continuous period of twelve months or more at the date of birth, the **date of entry** can be backdated to their date of birth. The child's cover will be restricted to the cover provided by your (the plan holder's) plan.

If you wish your child to have cover that is enhanced in any way in comparison to your (the plan holder's) cover, we will require an **application form**, and your child's **application** will be subject to **medical underwriting**.

If you do not inform us about the birth of your child within 30 days of their birth, and/or you do not pay the additional **premium** within 30 days of their date of birth, you will have to make a new **application** for your child to be added to your plan, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

In the event of the death of an insured person

If you (the plan holder) die, provided no **claim** has been made on your plan, we will refund any **unused premium** from your date of death.

If you (the plan holder) have **eligible dependants** insured under your plan, as the contract is between us and you as the plan holder, we will have to transfer your **eligible dependants** on to their own plan.

To enable us to do this we will require a new **application form** which must be completed and returned to us within 30 days of your date of death. Provided we receive the new **application form**, and provided **premiums** continue to be paid up to date, we will continue their cover as before.

If your **eligible dependants** want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If your **eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** as the plan holder on their behalf.

If an insured **eligible dependant** dies, please inform us as soon as possible. If they have made no **claim** on their plan, any **unused premium** from their date of death will be refunded. However if the deceased **insured person** had made a **claim**, no **premium** refund will be made.

Divorce and separation

If you (the plan holder) have your spouse or partner included under your plan and you become separated or divorced, we will have to transfer your insured spouse or partner on to their own plan. To enable us to do this we will require your spouse or partner to complete a new **application form** which must be completed and returned to us within 30 days of your date of divorce or separation.

Provided we receive the new **application form**, and provided **premiums** continue to be paid up to date, we will continue to cover your insured ex-spouse or partner as before. If your ex-spouse or partner wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

When a child dependant is no longer eligible to be covered under your plan

If one of your children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be eligible to be included in your plan from the **renewal date** following their marriage/birthday.

However, your child may apply to continue their cover on their own plan, at the applicable adult **premium** rate, provided they send us their completed **application form** and we receive the appropriate **premium** within 30 days of your **renewal date**.

If they want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and any enhancement in their cover will be subject to **medical underwriting**.

If we do not receive your child's **application form** and **premium** within 30 days of your **renewal date**, their cover will automatically cease from midnight on the day before your **renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

Changing your address, place of residence or country of nationality

You must inform us if you change your address and provide us with the new details.

If you change your place of residence or you change your country of nationality, you must tell us straight away.

If you cease to be a Hong Kong resident

You must tell us as soon as you or any of your **dependants** cease to be **Hong Kong resident**. Your plan will automatically cease from the **renewal date** following the date on which you cease to be a **Hong Kong resident**. We may be able to offer to continue your cover under a similar plan if the laws of the country in which you become resident allow us to do so. We reserve the right to refuse to offer cover in certain countries.

Renewing your plan

You may continue to renew your plan each year regardless of your age or state of health, or the number or value of **claims** you have made. We will not cancel your plan unless we are entitled to do so under our cancellation policy.

Prior to your plan **renewal date** we will send you an invoice by email stating your **premiums** for your new **period of cover**.

Your **premium** for each new **period of cover** will be determined by the following: -

- your age at the start of your new **period of cover**
- the ages of your **eligible dependants** at the start of their new **period of cover**

- the number of eligible children **you** insure
- **your plan**
- **your area of cover**
- **your excess** amount
- **your place of residence**

Other factors may affect **your** renewal **premiums**, such as general changes **we** make to **our** **premiums** annually, and changes to the discounts and loadings **we** apply to **excesses**, to the child **premium** discounts, and to the surcharge for instalment **premiums**.

We may also change the methods of payment **we** offer.

Your **premiums** may also be affected by the introduction of or increase to insurance **premium** tax or other tax, levy or charge applicable in **your** **place of residence**.

We may also change the benefits offered by **your** **plan** and/or **your** **excess** amount. If **we** do, **we** will write to **you** before **your** **renewal date** to confirm these benefit changes and/or change in **excess** amount. Any changes **we** make to **your** benefits or **excess** amount will come into effect from the **renewal date** of **your** **plan**.

From time to time **we** may decide to discontinue the **plan** **you** are a member of, and/or change the **excess** amount available. If this happens, **we** will transfer **your** membership to another similar **plan**.

Paying your renewal premium

You must pay **your** renewal **premium** on or before the due date.

If **you** pay **your** **premium** by credit or debit card, unless **you** tell **us** not to, and provided **your** credit or debit card details are current, **we** will withdraw **your** renewal **premium** on or around its due date.

If **you** do not pay **your** renewal **premium** within 30 days of the **premium due date**, **we** will cancel **your** **plan** from midnight on the day before **your** **premium due date**.

We may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30-day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **you** have paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **you** do not wish to renew **your** **plan** **you** must inform **us** in writing as soon as **you** receive **your** renewal **premium** invoice and prior to **your** **renewal date**.

Premium discounts for children

When **you** have eligible **dependant** children included in **your** (the **plan holder's**) **plan**, the child **premium** discounts will be applied as follows: -

- the discount for the oldest child insured on **your** **plan** is 0%
- the discount for the second oldest child insured on **your** **plan** is 10%
- the discount for the third oldest child, and any subsequent children, insured on **your** **plan** is 15%

If a child leaves **your** **plan**, **we** will recalculate the **premiums** for

the remaining children with effect from the date on which the child leaves. This means that the **premium** **you** pay will always be based on the actual number of children **you** insure.

Child-only plans

A **premium** loading applies when **you**, as the **plan holder**, are not an **insured person**. In such cases, each child's **premium** will be increased by 20%.

Cancelling your plan

If **you** wish to cancel **your** **plan**, or if **you** want to cancel cover for one of **your** **dependants**, **you** must instruct **us** in writing by letter, email, or fax. **We** will cancel cover from the date we receive **your** written instructions, or from a date in the future that **you** have specified. **We** will not cancel cover from a date prior to **us** receiving **your** written instruction to cancel.

If **you** are eligible for direct billing services, **we** will cancel **your** cover from the date on which **we** receive **your** returned membership card.

We will only make a refund in respect of **unused** **premium** if no claim has been made. If a claim has been made by any **insured person**, no **unused** **premium** will be refunded in respect of that **insured person**.

When we can cancel your plan

We have the right to cancel **your** **plan** immediately if: -

- **you** do not pay **your** **premium** and other charges such as insurance **premium** tax within 30 days of any **premium due date**
- **you** are no longer a **Hong Kong resident**
- **you** have not provided **us** with medical information **we** have requested to enable **us** to assess a **claim** or any potential **claim** that may arise in the future
- **you** have not repaid to **us** fully any ineligible **claim** payments **we** have invoiced **you** with
- **you**, any **insured person** or any person acting on **your** behalf has made any threatening or abusive comment, or used any unacceptable language towards **us** or any member of **our** staff, or any service provider acting on **our** behalf, whether verbally (including any telephone conversation) or in writing (including any electronic communication)

If the **plan** is cancelled part way through a month, an additional amount, equal to one twelfth of the annual **premium** paid, multiplied by the proportion of days without cover in the calendar month of cancellation will also be paid.

For example, if the annual **premium** for an **insured person** is US\$3,000, the **period of cover** is 1st January to 31st December 2020, and the **insured person** leaves the **plan** on 27th September 2020, the **unused premium** will be US\$775, as: -

- $((US\$3,000 / 12) \times 3) = US\750 for the three whole months without cover (October, November and December); added to -
- $((US\$3,000 / 12) \times 0.1) = US\25 for the three days in September without cover (the 0.1 calculated in this example by dividing 3 (the days in September without cover, i.e. the 28th, 29th and 30th) by the total number of days in September (30))

Appropriate calculation methods using the same principle as the above example will be used if the **premium** frequency is not annual.
